Case Closure Letter Re: FPPC No. 10/1096, Kern County Republican Central Committee Non-Fed and Dean Haddock, Treasurer

Dear Mr. Haddock:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. As you are aware, on December 31, 2010, the FPPC opened a case based on allegations that the Kern County Republican Central Committee Non-Fed failed to properly report sub-vendor information on its campaign statements.

Under the Act, a committee's campaign statements must include the following for each person to whom an expenditure of \$500 or more has been made on behalf of the committee during the period covered by the campaign statement: the person's full name, his or her address, the amount of the expenditure, and a brief description of the consideration for which the expenditure was made. (Sections 84303 and 84211, subd. (k)(6).)

The Enforcement Division of the FPPC has completed its investigation, and has found that the Kern County Republican Central Committee Non-Fed properly reported the required sub-vendor information as required by the Act. Therefore we are closing this case without further action.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in sections 18109 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

Sincerely,
